

ARGO LIBRO

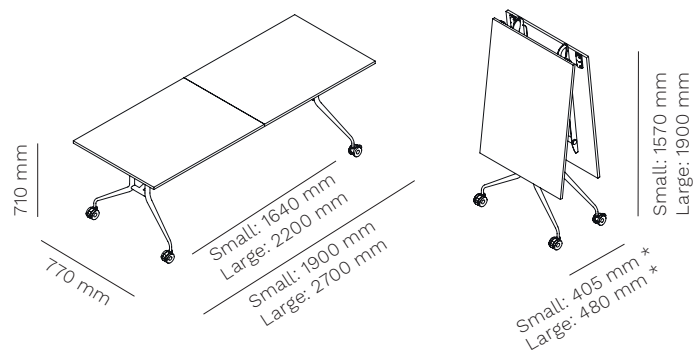

286, 286XL

DESCRIPTION / DESCRIZIONE

en Argo Libro is a space saving table of big dimensions that can be fold in 40 cm. Available in a wide range of sizes, including the XL version for table tops up to 1200 mm deep, can be used during conferences, meetings, workgroups and trainings, whilst giving the location an ample usage flexibility. The mechanical folding system makes this table easy to move by one person alone. Once closed it can pass with ease through doors and elevators and can be placed in small storages as well. The table is equipped with the exclusive antishock system, designed and patented by Mara, which is able to keep the user's hands safe when opening the table. Argo Libro and Argo Libro XL are CATAS UNI EN 15372:2016 certified, which proves its robustness, reliability and security.
