

DAI is a single-seat armchair with rounded and cozy lines that easily integrates into all types of spaces and contexts.

**Use**

Suitable for reception areas, waiting zones, and relaxation spaces.

**Seat and backrest**

Solid wood interior structure, with a backrest suspension system using highly durable elastic straps. The interior seat is made of compacted chipboard and covered with high-density and HR polyurethane foam. Secured to the structure at 4 points.

**Armrests**

Solid wood internal structure covered with flexible, high-density, and HR polyurethane foam.

**Legs**

Made of solid beech wood, they can be varnished in any of the colours from our sample collection or in any colour specified by the client.

**Upholstery**

Choose from our wide range of waterproof vinyl fabrics with antimicrobial, antibacterial, and antifungal protection.

**Certifications**

Seniorcare Interiors holds the ISO 9001 and ISO 14001 certifications, attesting that its work processes maintain a high standard of quality, covering the entire product lifecycle from the design phase to production and subsequent distribution of the product.

Please consult the SENIORCARE finishing chart for information about the certifications of the fabrics.

Seniorcare Interiors is certified to ISO 9001 and ISO 14001 standards.
