Collection of versatile multipurpose tables that bring warmth to any environment. Ample space between the floor and the tabletop designed for wheelchair accessibility.

Usage
Multipurpose tables for common use spaces, especially in elderly care facilities.

Tabletops
MDF Tops: Manufactured from Medium-Density Fibreboard (MDF) with melamine coating on both the upper and lower surfaces. Beech wood colour. Edges varnished with polyurethane lacquer. Featuring rounded corners and edges for user safety.
Melamine Tops: Produced from 22 mm thick particle board with melamine coating and ABS edging, all edges rounded. Available in beech wood colour and white. Featuring rounded corners and edges for user safety.
19 mm Melamine: Crafted from 19 mm thick particle board with melamine coating and ABS edging. All edges rounded. (Colours: Cinnamon, Colorado Oak, Stockholm Oak, Danish Oak). Featuring rounded corners and edges for user safety.

Structure and legs
Made of solid beechwood with a reduced frame to maximize user comfort for wheelchair accessibility. Legs measuring 50 x 50 with all outer edges rounded, connected to the frame by metal brackets that provide the table with great robustness. The entire ensemble coated with three layers of polyurethane lacquer.

Certifications
Seniorcare Interiors holds the ISO 9001 and ISO 14001 certifications, attesting that its work processes maintain a high standard of quality, covering the entire product lifecycle from the design phase to production and subsequent distribution of the product.

Seniorcare Interiors is certified to ISO 9001
and ISO 14001 standards.
