

Duncan is a collection of 1, 2, and 3 seaters armchairs with a functional and comfortable design. Its dimensions are ideal for relaxation areas.

Usage

Suitable for reception halls, waiting areas, relaxation areas.

Seat and backrest

Solid wood internal structure with a seat and backrest suspension system using highly durable elastic straps. Covered with flexible high-density, and resilient HR polyurethane foam. Attached to the structure at 4 points.

Arms

In the upholstered version, an internal solid wood structure covered with high-density and resilient HR polyurethane foam. Solid wood legs varnished in any of the colours from our colour swatch or any colour specified by the client.

In the wooden version, arms are made of beechwood with the option to varnish in any of the colours from our colour swatch.

Upholstery

Choose from our wide range of waterproof vinyl fabrics with antimicrobial, antibacterial, and antifungal protection.

Certificates

Seniorcare Interiors is ISO 9001 and ISO 14001 certified, which attests to the high-quality standards of our work processes, covering from design to product production and subsequent distribution, as well as waste management.

Please consult the certifications for the fabrics in the SENIORCARE finishes chart.

Seniorcare Interiors is certified to ISO 9001 and ISO 14001 standards.
