DARTA SHEET

MEGAN

MEGAN is a wingback recliner chair, perfect for resting and relaxing. Available in a fixed version, a reclining version, and a transfer version.

Use

Suitable for relaxation areas.

Seat and backrest

Internal structure made of solid wood, with a seat and backrest suspension system using highly durable elastic straps. Covered with flexible, high-density, and HR polyurethane foam. Continuous upholstery on the seat and footrest to prevent gaps that could cause injuries.

Armrests

Internal structure made of solid wood covered with flexible, high-density, and HR polyurethane foam.

Legs

Made of solid wood, varnished in any of the colours from our sample collection or in any colour specified by the client.

Mechanism

Manual recliner chair: the user can manually adjust the coordinated inclination of the backrest and footrest. Optionally, it can include a lever to facilitate the opening of the armchair.

Transfer

The TRANSFER version incorporates a transfer handle and high-quality 10mm diameter wheels, two of them with brakes, allowing the chair to be locked when not in use.

Upholstery

Choose from our wide range of waterproof vinyl fabrics with antimicrobial, antibacterial, and antifungal protection.

Certifications

Seniorcare Interiors holds the ISO 9001 and ISO 14001 certifications, attesting that its work processes maintain a high standard of quality, covering the entire product lifecycle from the design phase to production and subsequent distribution of the product.

Please consult the SENIORCARE finishing chart for information about the certifications of the fabrics.

Seniorcare Interiors is certified to ISO 9001 and ISO 14001 standards.
