

The UNNA collection is characterised by its simplicity, functionality, and sturdiness. With a tremendously attractive design based on clean lines, these pieces stand out in any environment and create a cosy atmosphere.

**Use**

Waiting areas, dining areas, and relaxation rooms.

**Structures**

Base made of solid first-quality beechwood with a section of 50 mm x30 mm, featuring rounded edges along its entire perimeter for user safety. Forward-positioned armrests with a section of 50 mm x 20 mm to facilitate user sitting up. The polyurethane varnishing is realized in a 3-layer process.

**Seat**

Interior seat made of compacted particle board or wooden frame (depending on the version) covered with flexible, high-density, and HR polyurethane foam. Attachment to the structure at 4 points.

**Backrest**

Wooden frame with an ergonomic shape for a perfect adaptation to the user's back. Covered with flexible, high-density, and HR polyurethane foam.

**Mechanism**

Movement facilitated by a gas piston with easy control via a lever from the seater position.

**Upholstery**

Great choice from our wide range of waterproof vinyl fabrics with antimicrobial, antibacterial, and antifungal protection.

**Coffee/corner table**

Versatile auxiliary table made with high-quality solid beech wood structure. Rounded edges throughout its perimeter for user safety. Haya wood veneer top. The finishing is done with three-layer polyurethane lacquers.

**Certifications**

Seniorcare Interiors holds the ISO 9001 and ISO 14001 certifications, attesting that its work processes maintain a high standard of quality, covering the entire product lifecycle from the design phase to production and subsequent distribution of the product.

Please consult the SENIORCARE finishing chart for information about the certifications of the fabrics.
