Soneo Desk Screen

Firmly focused on room acoustics, Soneo is a series of highly functional desk-mounted screens that comes into its own in challenging acoustic conditions. The desk screen provide an effective means of creating a pleasant working environment by lowering noise levels and enhancing privacy. To add a personal touch, you can choose from a wide range of upholsteries and accessories to make the desk screen personalized.

Specifications

The screen is built on an upholstered solid wooden frame with sound-absorbing filling. Metal fitting in black/grey/white lacquer.
