Delta Leaves

Delta Leaves

Leaves is a modular collection of acoustic wall panels. They are designed in 3 sizes, in order to fit all spaces, from a compact meeting room to a vast open space. They can be used alone or together, horizontally or vertically, and can be combined in an infinite variety of compositions. Their shapes, between geometry and smoothness, allow for refined as well as creative combinations. It adds a bit of playfulness in the workplace. The collection also invites to play with colors and textures, by creating soft camaieus for instance.

2 models of shelves complete the collection. They are specially designed to fit with the panels, to add additional function and to take advantage of walls.
