Super-low chest of drawers with side shelf

ASB103

Extra-low chest of drawers with side shelves. It provides organised storage space, alongside the drawers. Its practical and functional design is ideal for all kinds of spaces.

FINISHES

COLOURS

Components

Sides, base, top and shelves:

- 19 mm thick particleboard with 2 mm PVC edging and decorative laminate surfaces.

Back panel:

- 10 mm thick particle board with a decorative laminate finish.

Legs:

- 40 mm high PVC.

Castors (optional):

- Ø65 mm castors with brakes, with a load capacity of 60 kg per cast

Main Features

- Dismountable.
 - Easy and quick assembly.
 - Adjustable leveling feet.
 - Back panel provides increased rigidity and stability.
 - Rounded edges.
 - Drawer space designed to combine large and small drawers.
-

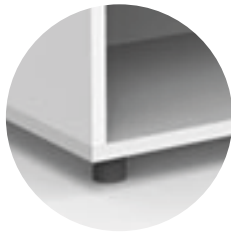

Maintenance

- Check the joints between parts.
 - Check the condition of the legs.
 - Check the condition of the shelves to ensure there are no breaks and/or cracks, and check their side brackets.
 - Check the condition of the drawers.
-

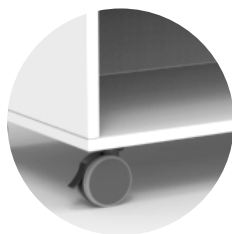

Cleaning

- Remove dust with a dry cloth or brush. Scrub with a sponge or cloth using mild soap or a mixture of water and vinegar. For stubborn dirt, grease residues or stains, you can use ammonia.
