Powder Blue Ash Grey Sand Translucent

Components

Sides, base, top and shelves:

- 19 mm thick particleboard with 2 mm PVC edging and decorative laminate surfaces.

Back panel:

- 10 mm thick particle board with a decorative laminate finish.

Legs:

- 40 mm high PVC.

Castors (optional):

- Ø65 mm castors with brakes, with a load capacity of 60 kg per cast

Main Features

- Dismountable.
 - Easy and quick assembly.
 - Adjustable leveling feet.
 - Back panel provides increased rigidity and stability.
 - Rounded edges.
 - Drawer space designed to combine large and small drawers.
-

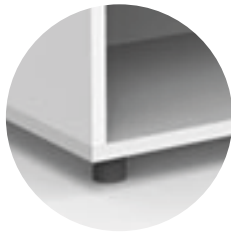

Maintenance

- Check the joints between parts.
 - Check the condition of the legs.
 - Check the condition of the shelves to ensure there are no breaks and/or cracks, and check their side brackets.
 - Check the condition of the drawers.
-

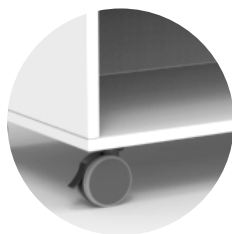

Cleaning

- Remove dust with a dry cloth or brush. Scrub with a sponge or cloth using mild soap or a mixture of water and vinegar. For stubborn dirt, grease residues or stains, you can use ammonia.
