Description

A robust table specially designed using the same technique as the Actiflex Tables, thus offering the unique advantages of that collection but focused to fit perfectly with the curved sofas from the Serp collection. Together, they create efficient and aesthetically pleasing work zones. Available in Size 6.

Components

Top:

- Premium top: High-pressure laminate (HPL) surface on both sides, with a birch plywood core, 20 mm thick.
- Basic top: Double-sided melamine particle board with decorative melamine paper and resistant melamine resins, 25 mm thick. Edged all around with 2 mm black PVC edge, industrially glued.

Legs:

- Metal leg: Steel tube Ø40x1.5 mm and Ø35x2 mm. Epoxy paint. Sizes 1 and 2: Fixed leg. Wheel or leveler. Sizes 3 to 6: Adjustable leg. Wheel or leveler.
- Wood leg: Solid beech wood, lacquered. Fixed leg. Sizes 1, 2, 3, 4, 5, and 6. Leveler only.

Base:

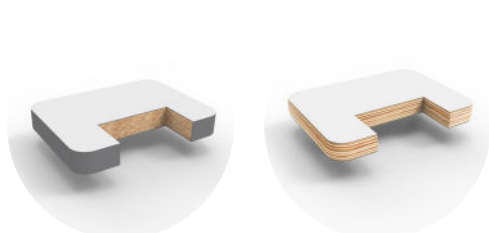

- Injected aluminum.

Main features

- Robust.
- Modular.
- Premium top suitable for heavy use in public spaces.
- Dismountable. Delivered unassembled.
- Fixed leg.
- Creation of work zones with the Serp collection.

Maintenance

- Check the condition of the fittings' tightening.
- Check the condition of the welds on the metal structure.

Cleaning

- Cleaning the board: solvent may be used only in extreme cases.
- Cleaning the metal structure: denatured alcohol may be used only in extreme cases. Never use solvent.
